

## Phinney-Gleason Memorial Scholarship Fund Donation Form

The Phinney-Gleason Memorial Scholarship Fund was created in honor of Ed Phinney and Bill Gleason, two faithful contributors and loyal supporters of the North American Cambridge Classics Project.

Your donations to this fund will assist us in the implementation of the mission of this organization: Training teachers to teach Latin using the Cambridge Latin series. The fund is used to provide individual scholarships each year that enable several teachers to attend one of our workshops.

All donations are U.S. tax-deductible. NACCP will send you a letter acknowledging your donation to the scholarship fund..
